Toad River, BC
FOLDING & STONE MOUNTAIN SAFARIS

Their beautiful custom cedar lodge is truly one of a kind. The lodge is over 8500 square feet, with plenty of room for everyone, and is located on a 500-acre ranch set in the scenic Toad River Valley surrounded by mountain views and wildlife.

You'll enjoy home cooked meals expertly prepared. We use wild game where possible to provide a unique dining experience. You can sample the savory taste of elk, moose, caribou, and stone sheep. Their menu varies to accommodate your particular tastes and dietary needs.

Breakfast, lunch, and dinner will be included with your stay from Friday to Monday.

You will meet the lovely Rebecca Miller who will be hosting and cooking our appetizing meals for each day while we stay there. Her presence lights up any room she walks into. She treats everyone like their family and her family means the world to her.

PLEASE ADVISE OF ANY ALLERGY OR FOOD RESTRICTIONS!
